# Parkridge East ED Volumes Were Declining Before COVID

# Chattanooga ED Volumes Declining While Capacity Increasing

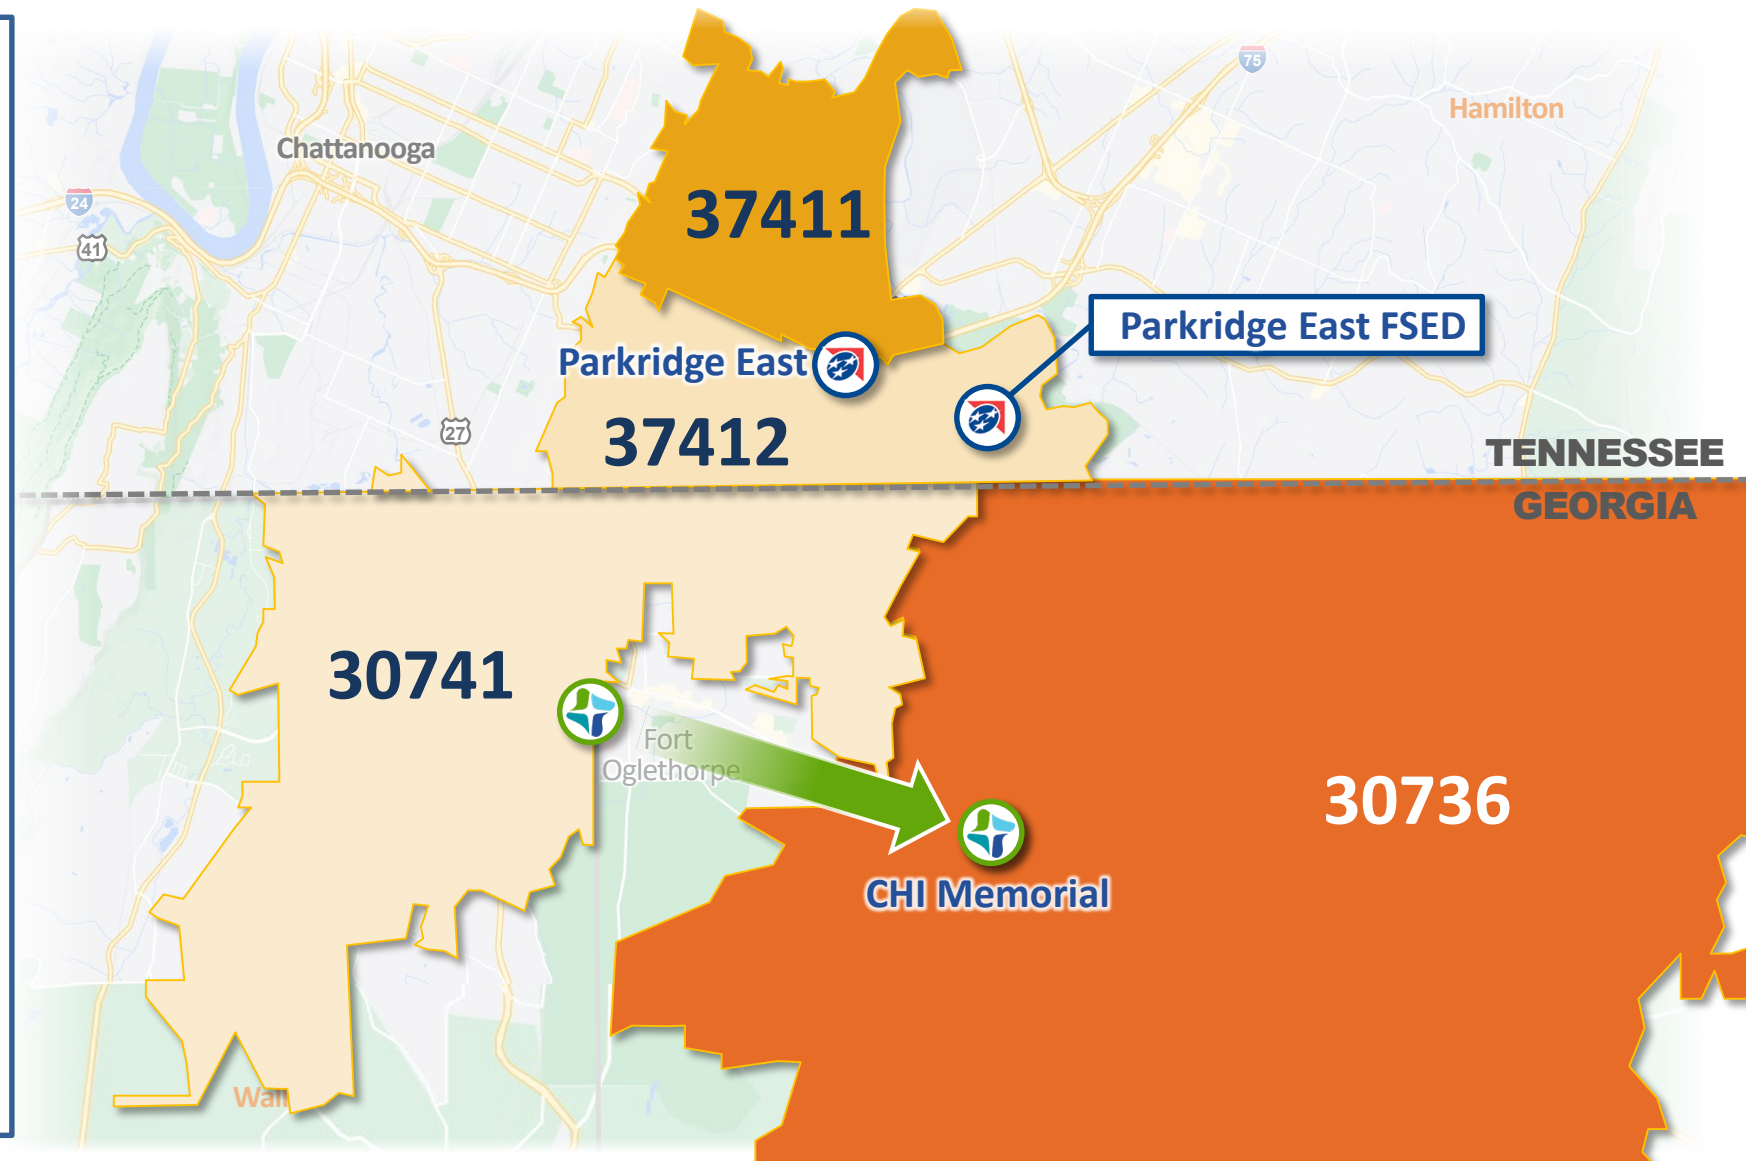

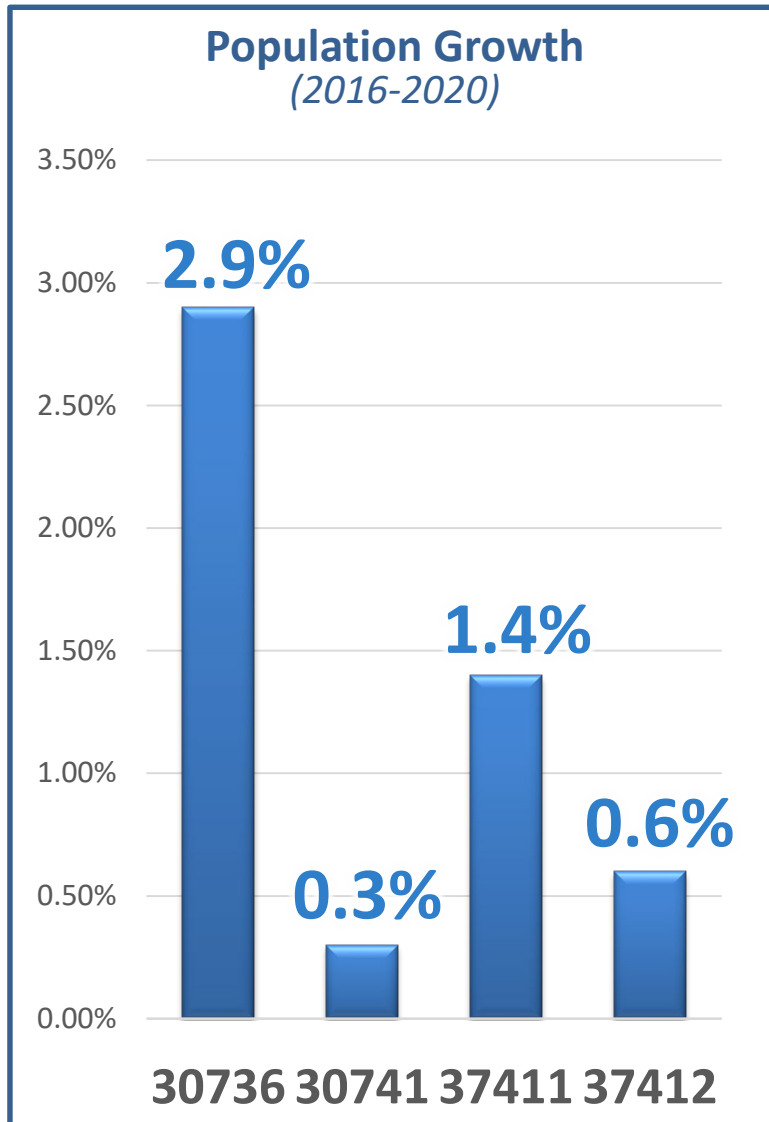

# Minimal Service Area Population Growth Not Driving Need

- **Only 1.86% Population Growth In Last Five Years**
- **Only 1,326 New ED Visits By 2025**
- **6 Additional ED Rooms At CHI-Memorial Georgia To Manage Growth**

# Service Area Population Growth Occurring In 30736

# CHI Memorial Georgia Moving Towards Population Centers
